Speaker:

As both a 'person behind the badge' talk & a vocational talk, Carl Bicknell told us about himself, his work & some 'facts, myths & imponderables' about Victoria's water system. Carl completed an engineering degree at the University of Melbourne, where he met his wife Susan Earp, also an engineer. After two years working in Manchester, he completed an MBA & later a Master of Commercial Law. Now he is General Manager Water Systems with Barwon Water in Geelong. Carl & Susan have three children, Ellen a lawyer, Ross a doctor and Monica a student at Ivanhoe Girls Grammar School.
