The Rotary Four- way Test

Of the things we
think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD-WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Recent Bushfires Experience**

Last Meeting

We welcomed **Bernie Bott** from the Rotary Club of Yarrawonga Mulwala, Chair of the District 9790 Bushfire Recovery Committee.

Unlike the 2009 fires this time most damage was caused to private property rather than community assets.

The committee has endeavoured to be fair to all in its distribution of aid to farmers. Initiatives so far have included pelletised feed for live-stock, which has been distributed through established businesses with client bases, and empty containers for on-farm storage. Some \$25k has been committed to the containers project.

Bernie is a past District Governor (2017-18) and is currently Chair of the District 9790 Bushfire Recovery Committee.

A tax-deductible account has been established for donations. This account includes approx. \$7k funds that have come via RAWCS.

The committee is reluctant to report on costs of individual projects and available funds because of the risk of published figures being inaccurate or out of date. However, Bernie indicated that as a guide the District fund currently stands at about \$40k.

Bernie was strongly encouraged to include more specific details of current and potential projects in future newsletters, to make it easier for Clubs to identify projects they could help with by raising new or directing existing funds. Otherwise Clubs are likely to bypass the District and do their own projects in isolation.

Bernie also spoke about a project initiated by the RC Rosanna to provide a reliable emergency water supply to the fire brigade at Cudgewa, and another project involving supply of air purifiers to three hospitals in North-east Victoria.

Thanks to Bernie for giving his time and responding to some robust comments and questions on the operation of the Committee.
