Last Night's Board Meeting

Not much to report on from last week's meeting as we look forward to a re-convened session with Professor Bellomo at tomorrow's normal meeting time. Instead I will summarise the outcomes from last night's Board meeting.

1. **Changeover on Wed 24 June starting 7.00 pm.** Incoming President Phil and outgoing President Carl and respective partners will be together at Beverley's place to do the formal handover of Rotary Chain and President's pin. Other members will participate via ZOOM and may choose to do so individually or get together with other members as they see fit. The formal session will commence at 7.00 pm with the usual speeches and go for about 45 min. We will then break to allow for eating and merriment at our respective locations without having to worry about ZOOM. Then at 8.30 pm we will re-start the ZOOM session for some informal fellowship and chit chat before closing no later than 9.30 pm. There will be no charge for the meeting. (donations always welcome).
2. **Membership fees.** There will be a one-off \$15 reduction in membership fees for 2020-21 to recognise the (slight) reduction in Club activity and overheads as a result of the Covid-19 restrictions. The membership fee for 2020-21 will therefore be \$270.per member.
3. **International Program Donations.** It was decided that the Club would increase its contribution to Rotary Polio Plus from \$500 to \$1000. This amount is boosted by the Gates Foundation on a 2 for 1 basis. In addition, donations will be made to Rotary Shelterbox (\$550) and Rotarians Against Malaria (\$500).

On another note, congratulations to David Balshaw who has done a tonne of work developing our new website. We hope to launch the new site at changeover on 24 June. David has also been busy, volunteering to assist with communications for the Rotary Playgrounds project and also preparing to join the roster of comperes for the Rotary In Action program on radio station 3INR Inner FM, broadcast on Tuesday afternoons at 3,00 pm top 4.00 pm.

To finish — I found this Covid-safe Gingerbread Man at Burkies' Bakehouse in Woodend on the weekend.

CLUB CALENDAR

We will continue to invite guests to our Wednesday morning ZOOM meetings, ideas from members most welcome.
